CERTIFIED FOR TAX CREDIT

- In all states except Florida, certification requires the EnergyTrack to be mounted over double pane glass.
- In Florida, the EnergyTrack may be mounted over single pane glass or double pane glass to be certified.
- Only the fabric and hardware options listed above are certified for the tax credit.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct and complete.

Thomas J. Marusak,
President
Comfortex Corporation

Comfortex Corporation is not a tax advisor. Taxpayers should consult a tax professional regarding their individual tax situation and ability to claim a tax credit related to purchase of the EnergyTrack.
